Hattie, can you please provide the link where external folks can view?

Thank you,
Dana

This looks good to go.

Dana and I are ready once Hattie provides us with the web link.

Subject: West Lake Groundwater Report

(Send to Heather Navarro @ MCE whn Mark concurs)

Dear Heather

Today EPA Reg 7 posted on its West Lake web page the full report of groundwater sampling conducted in April. That link is:

I discussed the key findings of this report extensively at the Pattonville HS public meeting on 25 June. And I committed to post the full report and supporting data as soon as it had been made available in a format capable of being posted.

Thanks
Karl
